Lessons for Life
Sharing Educational Experiences
Expanding Awareness
Connecting People

We provide an environment for expanding awareness. We connect people looking to share educational experiences in health and self-investigation from a holistic point of difference.

Our Training Center offers a combination of BodyTalk, Life Science, and self-development classes and workshops. Our engaging training space will provide students, instructors and the community with a well-equipped learning environment.

Its all about the location
Relax, calm your mind and extend your healing experience beyond the class setting. A short 5 minutes away to Siesta Key beach, where you can sink your toes in the world’s finest, whitest sand in the world” made of 99.9% quartz crystal.

Enjoy the crystal clear waters or lose yourself in the rhythm of the famous Sunday evening drumming circle. This beach is rated one of the top 10 beaches in the continental US and is known as a place where a concentration of energy maximizes the ability to heal physically and emotionally.
